

1. The Seller (exporter) and the Buyer (importer) conclude a trading contract
2. The Seller ships the goods to the Buyer
3. The Seller presents to the Bank the shipment documents and the collection order, which the Bank sends to the Seller's Bank
4. The Seller's Bank provides the shipment documents to the Seller against payment
5. The Seller's Bank transfers the payment to the Bank, which transfers the amount to the Seller's bank account
