Introduction

This Policy records the terms under which Chubb Insurance South Africa Limited ("Chubb") have agreed to provide cover to Visa International Service Association ("Visa") as policyholder for the benefit of Cardholders.

Visa is the sole policyholder of this Policy; it will hold the Policy; and all rights under it. The obligations of Visa as policyholder of this Policy will extend to all rights under the insurance coverage provided by the Policy from time to time but Visa is under no obligation to any Cardholder to maintain this Policy or the insurance it provides and accordingly Visa is free to exercise any rights to terminate the Policy or to agree with Chubb to amend, restrict or terminate the Policy at any time.

Cardholders have access to the benefits of the Policy by virtue of holding a specific type of card issued to them by Visa. Cardholders are only entitled to accept the benefits under this Policy by lodging a claim with Us. Cardholders are authorised by Visa as policyholder to contact Chubb directly on its behalf for the purpose of notifying a claim under the travel protection benefits.
Visa is responsible for the payment of the premium under this Policy.
Where anything in the Policy relates to a Cardholder or anything is to be done by a Cardholder, benefits will only be payable for the benefit of the Cardholder if the Cardholder complies strictly with the requirements of this Policy relating to the Cardholder.

Nothing in this Policy will give any right to any Cardholder or other person other than Visa.

Visa has authorised Chubb to make all payments due under this Policy other than payments due to service providers to the Cardholder. Any undertaking by Chubb to pay any benefit under this Policy is an undertaking made to Visa as policyholder. The Cardholder does not have any direct or indirect claim against Chubb.

Only Visa has any rights to enforce this Policy. Payment by Chubb of a claim direct to the Cardholder on behalf of Visa will discharge Chubb’s obligation to Visa or the Cardholder for the incident that is the cause of the claim.

This Policy is executed in Armenian and English. In case of inconsistencies between the two texts the English version shall prevail.

Final and updated information for this Policy can be reached on www.visa.com. In case of inconsistencies between the information of the mentioned website and this Policy, the website's information shall prevail.
Eligibility

The benefits summarised in this document are dependent upon the Cardholder being a valid Cardholder at the time of any incident giving rise to a claim.

Visa International Service Association will give the Cardholder notice if there are any material changes to these terms and conditions or if the Policy supporting the benefits is cancelled or expires without renewal on equivalent terms.

This Policy contains details of benefits, conditions and exclusions relating to valid Cardholders and is the basis on which all claims will be settled by Chubb.
